## Chamber Highlights

**What is a Chamber?** The Cape Cod Canal Region Chamber of Commerce is regarded as the ultimate business resource in the canal region. A member-driven organization, the Chamber regularly assesses the needs of local business owners bridging business & community.

**What we are NOT** – We are a non-profit organization that is NOT a department or agency of town, county, or state government. We are not a political body, civic club, or professional society.

**Board Governance:** The Chamber is governed by a 20-member volunteer Board of Directors made up of Chamber members. The Chamber has 2 full time and 2 part-time employees.

**Cape Cod Canal Region Chamber Foundation:** The Foundation is a separate arm of the Chamber that is used for tax deductible purposes and charitable programs, such as Scholarships, donations to food pantries, and visitor center operations.

**How can I stay engaged?** One of the best ways to support the Chamber AND your business is to stay ENGAGED! We offer many different opportunities for you and your employees to partner with us and each one is beneficial to business and our Community.
